PROFILE

Junior Front-End Developer with a good foundation in HTML, CSS, and JavaScript, React.js and Next.js as well, seeking to launch my career in web development. Recent coding bootcamp graduate with hands-on experience in React.js. Therefore, I have a passion for creating responsive, user-friendly websites. bringing a keen eye for aesthetics and user experience. Committed team player with excellent communication skills, ready to contribute fresh ideas besides growing alongside experienced professionals. Excited to tackle new challenges in addition to expand my skillset in a dynamic development environment.

WORK EXPERIENCE

- **RIWI - Trainee - bootcamp** 2024 currently
Web Application Developer
 - Creation of medium and small projects with new technologies to build Web Applications
- **Compurent** May-2022 // October-2022
QA Labs Tests
 - Learning how to automatize CI/CD with Azure DevOps
